Michele,

I have been working on this letter and think it is at a point where I need review and input. I have spoken to the Corps and outlined the injunctive relief discussed in the letter. The Corps is in agreement. I have not yet spoken the SC Forestry Commission, but I have a contact and will run all of this by them just to be sure nothing that they had concerns with has been omitted. I am having trouble with GIS and am in the middle of preparing the exhibits for the attached letter. I hope to have those completed today but it might be early next week. Please reach out to me with any questions or comments.

Thank you and have a great weekend,

**Christopher Parker**
